

You've given me a reason to love one more time  
Came into my life and made up my mind  
You are to me what I want you to be  
I know, I know  
Given me a chance to love tenderly

And deep in my heart I knew you were meant for me  
Right from the start it was like destiny

And You've given me reason  
You've given me reason  
A reason  
You've given reason  
One more time

I can't explain the way you make me feel  
You've given me a love that's so so real  
You came along and you gave me a song  
I know, I know, I know, I know  
Now we have a love that's so so strong

You light up my life the things that you do for me yeah  
And I'll be with you throughout all eternity

You've given me reason  
To love one more time  
To love one more time  
Thank you for your love  
Thank you baby  
Ooooh baby, baby, baby, baby, baby  
For giving me your love  
Given me a reason  
A reason
