

# You're Not The Same

Maze

I know you really like me but that's not enough  
And givin you my heart wouldn't be tough  
Although your intention could be very good  
Got to see what's going on and do what I should

It's not for spite but I gotta leave  
I'm not you're type and

You're not the same  
You're not the girl that I thought you would be  
You're not the same  
You're not the one that I thought was for me  
You're not the same I want to know

Use to think about you baby all of the time  
Silly thing about that I thought you were mine  
Maybe I was wrong but I did not know  
That you were slowly changin' and I'd have to go

It's not to bad I know what's going on  
I'm not to sad cause

You're not the same  
You're not the girl that I thought you would be  
You're not the same  
You're not the one that I thought was for me  
You're not the same

You put your heart and soul in someone  
They turn and they do you wrong  
Then you learn that nothin' last forever  
You keep right on rollin' along  
Why in the world did you have to change things  
And ruin our love affair

You're not the same  
You're not the same  
You're not the same  
You're not the same
