

## Ghost Highway

Mazzy Star

You're a ghost on the highway  
And I'll love you forever  
Ghost on the highway  
And I'll love you forever  
Forever and ever  
And ever and ever

You're always on an island  
And I'll hold you forever  
You're always on an island  
And I'll hold you forever  
Forever and ever  
And ever and ever
