

# Happy

Mazzy Star

Field of light  
They hold me inside  
Count my stars  
They're all lucky in the sky

There's a time  
When you go off the light  
And all my things look like someone else's memories

Cold outside  
Burns a great big hole in my heart  
I just wait till you're happy  
And your smile makes it bright  
It makes it bright

Sleep inside  
Ocean has miles  
It shimmers and it glows  
For some people  
I know it shines  
I know it shines

Stay inside  
Don't the colors make you blind  
They hold me inside  
Count my stars  
Let them shine  
I know they shine
