

I've Been Let Down

Mazzy Star

I've been let down
And I still comin' round
I've been put down
And I'm still comin' round for you
Comin' round for you

Take away everything that feels fine
Catch a shape in the circles of my mind
Make me feel like I belong to you
Make me feel even if it ain't true

Catch a train on a silver afternoon
A thousand miles and I'm getting there too soon
Take me there when I should be going home
Tell me why I still feelin' all alone

I've been let down
And I'm still coming round
I've been put down
And I'm still comin' round for you
Comin' round for you
