

Rhymes of an Hour

Mazzy Star

Cannot hear what you're saying
Could I tell you so
And I can't leave my troubles
And I'm going home

(Lie and) sleep
Under deep
You know

While the cold winter waitin'
While you (stumble home)
All these things we were searchin'
Now we just don't know

(Lie and) sleep
Under deep
I think you know

For the rhymes of an hour
Now I'm goin' home
And I can't believe I'm nothin'
'Cause I'm coming DOWN

(Lie and) sleep
Under deep
Do you know
