

She Hangs Brightly

Mazzy Star

She hangs brightly from the tree
Wonders what she's done to me
I'm aware of your game
Come and watch me
Watch me come down
Takes me down deep and wide
Pulls me through to the other side
She's the winner of her game
Come and watch her
Watch her come down
It stays down
Sour in truth
Lies of lovin'
The story's cheap
She's the winner of her game
Come and watch her
Watch her come down
Deep and wide
Inside, inside, inside
