

## Bosk On A Segway

MC Chris

Don't mess with the best  
White vest got the glock  
B-O-double S-K press play for the rock  
Press pause for applause  
Cause of awe and the shock  
Ram through the treetop  
Throw 'em in the cell block  
See, I like to wrangle Wookiees  
Cause I do not battle 'bots  
I work them then I cut them  
I do not collect their tops  
I leave their domes alone  
See scalping is for clone  
Like the baby Boba did  
You know his papa was a mold  
And so I was foretold  
Beyond my own machinations  
With the hunters guild kill my father cause I hate him  
Kill my siblings in the crib didn't phase me a bit  
Why you hatin' a bitch, what you waitin' for, snitch?  
I lick my lizard lips on a six six six  
I stack it full of Wookiees and I get rich quick  
I'm just an opportunist on the house is where I do this  
We're gonna move this through this with a morbid to-do list (what?)

The haters hate me  
I pass them by  
I'm rollin' rollin'  
On my segway  
The haters hate me  
I say goodbye  
I'm rollin' rollin'  
Rollin'... rollin'...

Okay, the cookies I bake  
And the wookiees I trade  
I'm Rogue Squadron 64 cause I keep getting played  
Millenium Falcon fucked my shit  
Fett's setting tricky traps  
That shit is wiki-wack  
Like callin' appetizers apps  
See, things were going good  
New hunters getting gain  
New sects to inspect  
On the planetary plains  
I didn't betray a Fett I had hubris and I loved it  
But I was a bounty Boss soon to be bounty comet  
Ran across some relevant  
Wookiee intelligence  
Location and whereabouts  
Of Chewbacca's relatives  
A double crossing Wookiee  
With a name that's vaguely french  
Locked me in a locker  
Then he freed his Wookiee friends  
I incite a prison riot  
They perverted my Pup

The Wookiees took control  
And their captors were crushed  
The rebellion bound beasts  
Had me cornered and callous  
Haven't seen this much fur  
Since "Debbie Does Dallas"

The haters hate me  
I pass them by  
I'm rollin' rollin'  
On my segway  
The haters hate me  
I say goodbye  
I'm rollin' rollin'  
Rollin'... rollin'...

I'm a lizard let loose  
On a wicked rap groove  
And I'm sayin' "fuck you"  
In my yellow jumpsuit  
I trip a chump foo  
With the killer Kung Fu  
Girl, trip a chump drew  
When I kick it old school [x2]

The haters hate me  
I pass them by  
I'm rollin' rollin'  
On my segway  
The haters hate me  
I say goodbye  
I'm rollin' rollin'  
Rollin'... rollin'...
