Chinese Song  
Microphone Testing, 1, 2, 3  
In the place to be  
Whats up everybody  
My name is Tai Mai Shoo  
And I am going to rapping for you today  
just a little free-style  
But first and foremost I like to thanking roadie styles  
Beyond compare  
for getting my belt back and helping me promotion my fuse  
and in return  
I will teach them how to make 1 million dollars  
wow, and when you hear it you will be like wow, I don't believe  
so simple  
no skills involed at all I could have falled that myself  
and then he say what, what the hell?!  
I don't believe  
check it out though

I was cruisin down the street in my Impala  
they asked me who the girl in tha car  
that's just my baby momma, don't give a fuck about da hoes  
I stuck that bitch in tha jaw  
cause I despise and put the nail in that ho  
cause I'm too sick, gimme the heebee jeebees  
break in all the houses, steal all your tv's  
hit your daddy in the peepee  
yea as u can see see  
I run around the corner and laughing, hee hee, hee hee  
I put ur mama in a headlock, oh a fruit neslson  
then I let your neighbor watch  
chinese food and girls  
and then I raped his mama  
cause I'm too sick  
and that bitch didn't giv no-o shit  
now back in my Impala  
sick ass 82  
saw my friend young  
his first name is egg foo  
a lot people don't like me  
but I don't give a fuck cause I stole your tv  
its in my fucking collaleena  
I wish today was Sunday  
so I can get a cheeseburger for  
39 Cent! at McDonalds, baby!  
and I, wish it was Wednesday  
so I could get a hamburger for  
29 cent! at McDonalds  
(baby!) at McDonalds!
