Chinese Song
Microphone Testing, 1, 2, 3
In the place to be
Whats up everybody
My name is Tai Mai Shoo
And I am going to rapping for you today
just a little free-style
But first and foremost I like to thanking roadie styles
Beyond compare
for getting my belt back and helping me promotion my fuse
and in return
I will teach them how to make 1 million dollars
wow, and when you hear it you will be like wow, I don't believe
so simple
no skills involed at all I could have falled that myself
and then he say what, what the hell?!
I don't believe
check it out though
I was cruisin down the street in my Impala
they asked me who the girl in tha car
that's just my baby momma, don't give a fuck about da hoes
I stuck that bitch in tha jaw
cause I despise and put the nail in that ho
cause I'm too sick, gimme the heebee jeebees
break in all the houses, steal all your tv's
hit your daddy in the peepee
yea as u can see see
I run around the corner and laughing, hee hee, hee hee
I put ur mama in a headlock, oh a fruit neslson
then I let your neighber watch
chinese food and girls
and then I raped his mama
cause I'm too sick
and that bitch didn't giv no-o shit
now back in my Impala
sick ass 82
saw my friend young
his first name is egg foo
a lot people don't like me
but I don't give a fuck cause I stole your tv
its in my fucking collaleena
I wish today was Sunday
so I can get a cheeseburger for
39 Cent! at McDonalds, baby!
and I, wish it was Wednesday
so I could get a hamburger for
29 cent! at McDonalds
(baby!) at McDonalds!
