

you can't tell me what toys I can play with  
you can't tell me not to grow my crops  
you can't tell me which sex i can marry  
its so scary the weird way that you watch

straight out of ponyville  
motherfucker name twilight  
don't call her belle  
sweetie bell raise hell and beat you in barfight

she's unicorn  
horn got the force move shit around and teleport  
but she's a pony  
that's a horse that will but of course cavort for sport

like spike on rarity clydesdale clarity  
there's the horse that I hunger for  
fluttershy got those butter thighs  
bumblesweet but with a little bit of mumblecore

pinkemena is mean motherfucker  
pullin pranks with rainbowdash  
they don't give a fuck if your shit's fucked up  
they gonna fall back and laugh

you can't tell me what toys i can play with  
you can't tell me not to grow my crops  
you can't tell me which sex i can marry  
its so scary the weird way that you watch

you know the type  
make you think about suicide they're so super hype  
then you know that pinkie pie so freakafied  
whatever sweets inside won't suffice

(beat) dash is lass with the rainbow mane  
pass so fast make you lose your cool  
she's a mine detector a cloud collector  
when's the last time you heard a rainbow boom

everytime somebody rocks a rainbow  
like R2 or lucky charms  
they gotta get all aggro back in the backroom  
make sure nobody doin any harm

bunch of baloney just a bunch of ponies  
save that horseshit for your barn  
the only danger in this manger  
is finding friendship on the farm

you can't tell me what toys i can play with  
you can't tell me not to grow my crops  
you can't tell me which sex i can marry  
it's so scary the weird way that you watch

don't talk smack unless they force you  
if it's applejack you might taste her horseshoe

help her with the harvest if she requests it,  
her heart is the part that is heavily invested

herd not a pack with some stand back dramatics,  
don't panic when they stampede through the static  
u heard that it's wack heard frienship is magic  
better than back in the paddock

some ponies know their cutie marks  
and some must crusade  
some people know their role in life,  
and some others must wait  
I love my little pony  
my little pony is great  
i wish that people were ponies  
then life wouldn't be lame

you can't tell me what toys i can play with  
you can't tell me not to grow my crops  
you can't tell me which sex i can marry  
it's so scary the weird way that you watch
