- It's just references. Who's getting these references?
- A lot of people are! Everybody gets when you hear something you've heard b efore that's comedyyyy!
- No, that's not comedy. The songs you're writing now are garbage. Everybody hates them.

- What was it?

- Fett's Vette!

- Yeah, Fett's Vette, that's it. You gotta write more songs like Fett's Vette. Come on, there were like twelve bounty hunters on that super star destroyer.

- Ahhh! Come on Mr. Chandler it's played out! You can't ask me to do this!

- It's not played out, what am I telling you here? You gotta write more songs about bounty hunters from Star Wars, in vehicles. Like. I can't believe I'm coming up with this for ya. Uh uh, Zuckuss' Prius or uuuhh, IG-88's '57 Chevy.

- Awwhh Mr. Chandler!

- Dengar's Dump Truck!

- No!

- They are great ideas, listen. If you put Bossk on a Segway, you gonna sell records!

Now let me cleverly use that to segue to my next point to you, which is that you gotta get out on the red carpet!

- I get out on the red carpet all the time! Me... I ate my girls last night! Yum!

- No! I'm not talking about giving cunnilingus while a woman is menstruating.

I'm talking about getting out there, shaking people's hands.

I'm talking about getting the name out there! Get into some car accidents with Lindsey Lohan!

- I can't into a car accident they won't let me drive a car cause I have a pegleg.

- Keep fighting me, see where it gets ya. Get out there! Get to the YouTube awards! Get to the internet Emmies!

- They have those?

- I don't know if they have those! Get on the internet, find out! And if they exist, go to them! You gotta get out and impress the flesh!

- Ah!

- Mr Chandler, those two assassins you hired to kill MC Chris one the red carpet so as to cement his icon status and increase record sales are on line two.

- Oooh... Busted... Uhhh... I gotta take this call.

- Uuuh OK Mr. Chandler, I guess I'll just head on out!
