Sleepin' on a Master Plan

MC Hammer

Dah Dah Sleepin on a master plan When ya sleepin, Yet I'm creepin, Ya see Check it out

Sleepin on a master plan, but yet and still I got skills to come hard like shaquille Check the grammar, Slow your roll, Here comes the quick flows Hammer too legit flows, They need us from the get go Uh, back in action Time for some rhymes, For some ends so my pockets'll be fattened Matter of fact, In a couple minutes i'll be paid again Another phat lp to be made again Hammer, Hammer, I am! Hype like mike, So you can say I'm the

Jam!

Smooth as satin concrete as stone Take my time to rock a rhyme, Once again it's on Take two, One two three different mc's They really can't see me

Who?

You can't touch this, So rush this oh slow temp flow MC Hammer, Untouchable mental flow

I'm too legit to stop, I got more flows to kick

I kicks it, I gets wicked like that and this

It's so many things that's confusing Ya diss, Ya losin, Ya don't know the different flows I be using

So uh

Remember, Timber is filmed down It's time to let em know hammer's comin back around So knock knock to the boogie ya don't stop I got a couple more lines to drop On the one

Too many underestimated

On the two

They can't believe what I created

Am I smooth?

I don't think so

And that's too real

Can ya feel it?

I drop hits like holyfield

Damn

Take my time before I start composing It's like this, It's like this is how it goes and Now ya know whenever ya seein the hammer rollin Bet he roll, Hold I roll rollin through oakland, Oakland

Now

I done seen a lotta people go from one to ten

Really dough

Hammer'll wreck it from beginning to end Comin direct, Check yourself or get checked Step, I kicks back and I collect I recollect, That my technique is tight It's unknown what the average mc might write I'm ice colder, So diss at me, You're going under Believe me, Ya man ain't stevie so don't wonder I hammer mc's for tryin to go against this Me against no six, Or face the consequence For tryin to get in my position

For all those who're essential, so To all y'all backwards untalented unactive wanna be hard rap stars

Now is this too much? The fact that they can't touch this

I'm unmatched, Never mediocre Tell batman hammer's loonier than joker Uh, So quick to jump up That macker fama lama hammer grammar'll have things pumped up Fool, I thought you knew

What else would you expect from a g that's kickin game to you?

It's like one two, I'm pretty sure you can't tell it's dope You try to diss but couldn't see me wit a telescope

Sleep wit it, Sleep wit it Keep sleepin on a master plan
