

# Hipster Girl

MC Lars

Hipster girl: So check this. I just read the Pitchfork review of the new Pavement reissue. Stephen Malkumus is a genius, but let's face itÉ he's no Conor Oberst. I'm just saying. It's not 1994 anymore, duh. Did I show you my new mini skirt/leggings combo? You know what they say: ugly IS the new hot.

I met her in the thrift shop bumping indie hip-hop  
Calculator wrist watch, Shins t-shirt and flip-flops  
Queen of the hipster scene, straight out of Vice Magazine  
Social outcast at 16 but now she lives her BoHo Dream  
She came from Omaha to Williamsburg  
She loved Karen O and she had heard  
That Brooklyn was the hipster mecca  
Packed her bags with her friend Rebecca  
Said she had a thing for broke dudes in bands  
Who lived by Union or by Grand  
So we went down to the Bedford Bar  
And bought a six dollar PBR

Hipster girl: Ezra. Go down Bedord, take a right on Metropolitan, then a right on Union, and then you're here. Just text me when you get here okay?

CHORUS:  
Hipster girl  
Cool by the numbers and she rocks my world  
Knows all the indie bands you've never heard  
She's my hipster girl

She thinks uncool stuff is mad cool, indie culture's fad rule  
But cool stuff is uncool, right? That's why Friday's Jewel night  
She reads books no one has read, laughs at jokes no one has said  
So ironic with her taste, her whole life is cut and paste  
It's a metrosexual romance, she wears my shirts and I wear her pants  
We play dodge ball, kid sports are cool  
Watching Spank Rock and McCarren Park Pool  
She's my trust fund baby bohemian, her vegan humus keeps her thin,  
I love my L-Train girl it's true, she always goes down on the weekends too

Hipster girl: By the way, that pro-Bush shirt you're wearing is making me really uncomfortable, you may be wearing it ironically, but that doesn't give you the license to be obnoxiousÉ you look like a hardcore fascist redneck!

CHORUS:

Hipster girl  
Cool by the numbers and she rocks my world  
Knows all the indie bands you've never heard  
She's my hipster girl

BRIDGE:

Donnie Darko makes no sense!  
Hipster girl: When did side-pony tails get cool again?  
Your fixed-gear bike makes no sense!  
Hipster girl: I've been trying to do that dirty-chic  
thing, you know?  
Donnie Darko makes no sense!  
Hipster girl: I am so BoHo right now  
L train girls don't make sense (I don't get it, I don't  
get it)

Hipster girl  
Cool by the numbers and she rocks my world  
Knows all the indie bands you've never heard  
She's my hipster girl

Hipster girl  
She's got her latte and some spoken word  
Ironic statements on her vintage shirts  
She's my hipster girl

Hipster girl: I'll give it to you, Napoleon Dynamite  
was funny, but "Vote for Pedro" t-shirts at  
Wal-Mart? What are they thinking. Wal-Mart is evil.  
Their health care is totally inadequate.  
Didn't you see the screening of that Robert Greenwald  
movie at Pete's Candy Store? It was so sad.  
What is with all of these hipsters taking over  
Williamsburg?
