

# If I Had a Time Machine, that Would Be Fresh

MC Lars

My friend Aileen made a time machine, but was keen on keeping it shiny clean  
To travel back in time had always been my dream  
So I hatched a scheme and jacked the pod like Ween  
AD 33 maybe you would see me  
Telling Jesus his friend Judas was untrustworthy  
You tink that's fresh? Well just you wait.  
I battle rap Chaucer in 1388  
I tell Lincoln, in 1865, going out to plays alone is somewhat unwise  
In 1963, I make JFK's day, I say 'before you go to Dallas, wear this helmet okay?'  
In 2001, I make the world all right, I go back to 9/11 and cancel all flights  
In my time machine, you couldn't get with me  
Because E equals this squared MC

My T to the I to the M to the E,  
M-A to the C-H-I-N-E,  
My T to the I to the M to the E,  
M-A to the C-H-I-N-E

Hey Albert Einstein! throw your hands in the air. Props on that whole, Theory of Relativity thing.

My T to the I to the M to the E,  
M-A to the C-H-I-N-E,  
My T to the I to the M to the E,  
M-A to the C-H-I-N-E
