

# Shvensen Fitzlogik

MC Lars

Dropped my little sister off at San Jose State  
Freshman hoties on the floor and they all look great  
18 with brains and booties to match  
I want to scratch that ass like Grandmaster Flash  
You were in Gimbooree my freshman year  
Mr. T was on TV and now you're hear  
Not creepy anymore when it feels like heaven  
You know the hottest girls were born in 1987

1987 was the year, now they're freshman hotties  
drinking cheap-ass beer  
Fake ID's? They don't matter to me, you've got some tig  
ol' bitties and some nice white teeth  
Study with me, I won't open a book, I'm a SparkNote  
tip, you might call me a crook  
I take all the hot and attractive courses  
I'm Shvensen Fitzlogik sing my chorus!

Shvensen Fitzlogik, wasted in college  
25 year old in a freshman dorm (25 year old in a

Hey mom, please send me more money, it's my eighth year  
in college digging freshman honeys  
Here try this, it will make you feel good, you can wake  
up staring at the morning wood  
Then I'll walk down the hall, holding on the wall,  
Leave a little puke in the bathroom stall  
On the girl's floor, I'll do it all again, it's a new  
year I should ask you again

How old are you? Don't tell me yet  
Wait let me guess, I'll make a bet  
You've got a thing for older guys and I know it's true  
Johnny Freshman can't do these things to you  
These girls like good with their cute pink shorts  
on the floor next to their book reports  
You're no Margery Kempe, so shut your yap,  
it's MC Lars and HardNox with the statutory rap

What's your name? My name's Shvensen  
Try a little German baby, see what you're missin'  
'Cause I'm so paid from my distract  
In the freshman dorm party scene trying to get laid

Come in my upper room I've got some Coconut and Malibu  
Sit on the couch - want a drink? I do!  
Give me three, give me six, give me nine
