Flow's ekphrastic, I get drastic Hey, watch the plastic, yo, I name check And leave you drowned in space oobleck Player of the future, watch me go! Sith girls scream when they hear my flow These alien chicks reproduce with spores So I go where no MC has gone before Hey Fry, look, we can still be friends I won't ask Leela out again. Sci-fi, I try, I fly solo Shoot your landspeeder up just like Bolo "What's with Lars, and what's with his name?" Never mind that ish, 'cause I've got space game!

Hey T.S. Eliot! Please shut the door
Because modernism is so pass
The postmodern revolution is here to stay
In the house tonight because of Frank Lloyd Wright
The bass goes "boom!" like dynamite
"Yo, Wright was a modernist!"
Yeah I know that, all right,
But you can't rhyme "Bob Venturi' with "dynamite"
See it's Guernica Part II when I storm the stage
I draw fans like Warhol draws soup cans on the page
