

## What Is Love

MC MAGIC

What is love,  
is it the feelin that i get  
when your lips touch mine..... (You know love is whatever you make it girl)  
(come on)  
Is it the way i cant control myself,  
when we're in the middle of those passionate nights.... Babe!  
  
(is like everytime im with you baby)

Magic:  
I think love is when i look into your eyes  
the way it seems like your body was meant to be  
every minute right here next to mine  
my super sexy valentine

Tiffany:  
But you must of known.....  
that all the little things you do and say to me  
you know i love them, but they got me wondering..

Tiffany:  
what is love, is it the feelin that i get when your lips touch mine.....  
Is it the way i cant control myself when we're in those passionate nights.... babe!

Magic:  
nobody ever gonna love your momma like i will  
turn off the lights and bring your body closer  
this night was made for you and I  
slowly momma take my time

Tiffany:  
Baby boy... can you show me the meaning of love...  
cause i got to know...

what is love is it the feeling that i get when your lips touch mine...  
is it the way i cant control myself when we're in the middle of those passionate nights.... babe!

what is love is it the feelin that i get when your lips touch mine..... is it the way i get when we're in the middle of those passionate nights... babe!
