

## Let Me Try

MC5

I'll be your singer  
You'll be my song  
I'll lay you down softly  
I'll love you long  
I'll be there  
To keep you satisfied  
If you'll only let me try, hey hey  
Let me try, hey hey, yeah  
You've been neglected  
You've been abused  
But I'll give you pleasure  
Deep inside of you  
I'll always be near  
Right there by your side  
If you'll only let me try, hey hey  
Let me try, hey hey, yeah  
Let me try, hey hey  
Let me try, hey hey, yeah  
I'll play you like music  
I'll sing you like a song  
I'll lay you down gentle  
I'll love you strong  
I'll dry your teardrops  
Each time you cry  
Wrap you in my arms  
Set you on fire  
If you'll only let me try, hey hey  
Let me try, hey hey, yeah  
I'll be your singer  
You'll be my song  
La da da da  
La da da da
