

Do Ya

Mcfly

Do ya do ya do ya love me
Do ya need a little time?
Do ya do ya do ya want me
Oh to hold you when you cry

Do ya do ya do ya do ya love me
Don't want to here you say maybe
Won't you tell me do you love me?
Coz I wanna know

I'm making a list of the things that I miss
Whenever we're far apart
The way that you kiss
The taste of your lips
I'm telling you from the heart
Coz baby I just wanna know

Do ya do ya do ya love me
Do ya feel it in your bones?
Do ya do ya dream about me
Oh when you're sleeping on your own

Do ya do ya do ya do ya love me
Don't want to here you say maybe
Won't you tell me do you love me?
Coz I wanna know

I'm making a list of the things that I miss
Whenever we're far apart
The way that you kiss
The taste of your lips
I'm telling you from the heart
Coz baby I just wanna know

Do ya do ya do ya love me
Do ya need a little time?
Do ya do ya do ya want me
Oh to hold you when you cry

Do ya do ya do ya do ya love me
Don't want to here you say maybe
Won't you tell me do you love me?
Coz I wanna know
Yerrr
