

# Don't Know Why

**Mcfly**

One by one  
Drinks are gone  
Do I have to stay  
Hate the sound  
Of one more pound  
As it rolls away  
Why did I need your proof  
When I knew the truth

And I don't know why  
I just let it slip by  
In all the time  
I just wish you had tried

I don't want to know your game  
Let alone her name  
No matter what  
You say to me  
We are not the same

Why do you make me cry  
Try to justify  
To right the wrong  
Of my mistakes  
Cause my heads held high

And I don't know why  
I just let it slip by  
In all the time  
I just wish you had tried

And I don't know why  
I just let it slip by  
In all the time  
I just wish you had tried

Dreams we have as kids all fade away  
Now its not the same

And I don't know why  
I just let it slip by  
In all the time  
I just wish you had tried

And I don't know why  
I just let it slip by  
In all the time  
I just wish you had tried
