

# Don't Wake Me Up

McFly

(Dreamer, dreamer, dreamer)  
Live your life as you please  
(So long, so long, so long)  
To all the critics and the enemies  
My sky has turned vanilla  
Like sugar sasparrilla

And if only you could hear all I'd say

Don't wake me up  
Baby I'm in love  
And I'm dreaming so much  
But I don't ever wanna stop  
Don't wake me up

Don't wake me up  
I don't wanna stop  
Don't wake me up

(Give up, give up, give up)  
Time to wipe your soul clean  
(Someone to love, to love, to love)  
Hair like fire, sunset, tangerinnnnneee  
The nights are getting colder  
Not getting any older  
The chip fell off my shoulder  
(I won't see a day to all be gray and overrated, baby)

Don't wake me up  
Baby I'm in love  
And I'm dreaming so much  
But I don't ever wanna stop  
Don't wake me up

Don't wake me up  
I don't wanna stop  
Don't wake me up

Oh, yeah!

Don't wake me up  
Baby I'm in love

Don't wake me up  
Baby I'm in love  
And I'm dreaming so much  
But I don't ever wanna stop  
Don't wake me up

Don't wake me up  
I don't wanna stop  
Don't wake me up

Don't wake me up  
Don't wake me up  
Don't wake me up
