

# Down Goes Another One

Mcfly

Did the best, that I could,  
Said I'd die for you and I would.  
But I've drown, all those feelings in the flood.  
Need to know, if you're there,  
If you're listening to my prayers,  
To my tears, feel like raindrops to the mud.

But how was I to know,  
That a year ago,  
I'd need to read between the lines, and every lie?  
And that's why

Everytime I fall asleep my dreams are haunted.  
And everytime I close my eyes, I'm not alone.  
And everytime I cry I'm right back where you want it.  
I try to drown you out so down goes another one  
(down goes another one)  
Down goes another one  
(down goes another one)  
Down goes another one  
(down goes another one)

Living fast, dying young,  
But I'm living with what you've got.  
Now I face, accusations,  
I won't run, no.

I'm starting to remember things that you've said,  
I'm unravelling what they meant.  
But the world moves on,  
You're just another one.

And how can I go on,  
Cause when I'm in the sun,  
I see your shadow on the ground.  
But you're never there,  
When i turn around.

Everytime I fall asleep my dreams are haunted.  
And everytime I close my eyes, I'm not alone.  
And everytime I cry I'm right back where you want it.  
I try to drown you out,  
So down goes another one.

How can I go on,  
Cause when I'm in the sun,  
I see your shadow on the ground?  
But you're never there,  
When I turn around.

Cause everytime I fall asleep my dreams are haunted. (my dreams are haunted)  
And everytime I close my eyes, I'm not alone.  
And everytime I cry I'm right back where you want it.  
I try to drown you out so down goes another one  
(down goes another one)  
down goes another one  
(down goes another one)

down goes another one  
(down goes another one)  
down goes another one  
(down goes another one)  
down goes another one.
