Mr. Brightside

I'm coming out of my cage And I've been doing just fine Gotta gotta be down Because I want it all It started out with a kiss How did it end up like this It was only a kiss, it was only a kiss Now I'm falling asleep And she's calling a cab While he's having a smoke And she's taking a drag Now they're going to bed And my stomach is sick And it's all in my head But she's touching his-chest Now, he takes off her dress Now, let me go

I just can't look its killing me And taking control Jealousy, turning saints into the sea Swimming through sick lullabies Choking on your alibis But it's just the price I pay Destiny is calling me Open up my eager eyes 'Cause I'm Mr Brightside
