

# No Worries

Mcfly

We ran past strawberry fields and smelt the summertime  
When it gets dark I'll hold your body close to mine  
And then we'll find some wood and hell we'll build a fire  
And then we'll find some rope and make a swinging tyre

Captivated by the way you look tonight  
The light is dancing in your eyes, your sweet eyes

It's times like these we'll never forget  
Stayin out to watch the sunset  
I'm glad I shared this with you  
Cause you set me free  
Show me how good my life could be  
How could this happen to me? Yeahhhohhh

And then I'll swing you girl until you fall asleep  
But when you wake up you'll be lyin next to me (ba ba ooo)  
We'll go to Hollywood, make you a movie star (movie star)  
I want the world to know how beautiful you are

Captivated buy the way you look tonight  
The light is dancing in your eyes, your sweet eyes yeah

It's times like these we'll never forget  
Stayin out to watch the sunset  
I'm glad I shared this with you  
Cause you set me free  
Show me how good my life could be  
How did you happen to me? Yeahhhohhh

There are no secrets to be told  
Nothing we don't already know  
(bum bum bum)

We got no fears of growin old  
We got no worries in the world

Ba Ba Ba Da Ba Ba Da  
Ba Ba Ba Da Ba Ba Da Baaa Ba Da Baaa (4x)
