**Nowhere Left to Run** I've got nowhere left to run I've got nowhere left to hide If you leave me If you leave me I would die I've got nowhere left to run I've got nowhere left to hide If you leave me If you leave me I would die Without you I'm not a survivor Without you Without you I'm not a survivor Without you Without you I'm not a survivor I can't live Without you I'm not a survivor Cause I need you Yes I need you To save me To save me I've got no more love to give I've got no more tears to cry If you leave me If you leave me I would die Cause I need you Yes I need you To save me To save me Cause I need you Yes I need you To save me To save me I've got nowhere to run, run Nowhere to run, run

Ooh....

Cause I need you Yes I need you To save me To save me

I've got nowhere left to run
I've got nowhere left to hide
If you leave me
If you leave me
I would die

I've got nowhere

I've got nowhere
If you leave me
If you leave me
I would die
