

She Left Me

Mcfly

She walked in and said she didn't wanna know
Anymore
Before i could ask why she was gone out the door
I didn't know, what i did wrong
But now i just can't move on

Since she left me
She told me
Don't worry
You'll be OK you don't need me
Believe me you'll be fine
Then i knew what she meant
And it's not what she said
Now i can't believe that she's gone

I tried calling her up on her phone
No one's there,
I've left messages after the tone...
Really?
Yeah man loads

I didn't know, what i did wrong
But now i just can't move on
