

# The End

Mcfly

Kicking off is the hardest part  
Nothing's certain at the start  
Letting go, so something can begin  
Figure out how to get a life  
Leave tomorrow, live tonight  
Gotta throw, throw your heart right in

Cause we all fall down

Everybody knows the end  
When the curtain hits the floor  
Everybody knows the end  
Don't wanna get there wishing that you'd given more  
It's not over, till it's over  
So how do we begin?  
When everybody knows the end

I need to live with nothing fixed  
Don't tell me what's gonna happen next  
I'm alright, I like the way this feels  
Leave behind all the things I miss  
The next stop isn't where you think it is  
Cause tonight I'm riding off the rails

Cause we all fall down

Everybody knows the end  
When the curtain hits the floor  
Everybody knows the end  
Don't wanna get there wishing that you'd given more  
It's not over, till it's over  
So how do we begin?  
When everybody knows..

The end is were you hope you never say  
"I coulda done it better"  
I'm gonna keeps what counts  
& throw away what doesn't really matter  
& I wanna die (& I wanna die)  
On the highest high (On the highest high)

It's not over (it's not over)  
till it's over  
I wanna stay here forever

Cause we all fall down

Everybody knows the end  
When the curtain hits the floor  
Everybody knows the end  
Don't wanna get there wishing that you'd given more  
It's not over, till it's over  
So how do we begin?  
When everybody knows the end

Everybody knows the end  
Everybody knows the end
