

The Last Song

Mcfly

The time has come to say goodbye
The sun is setting in the sky
The truth's turned out to be a lie
It's over, over
Hum yourself a lullaby
This is the end but baby don't you cry

So take away the melody
And all that's left of memories
Of lovers, friends and enemies
They're all fading
You may not remember me
I haven't got the strength to carry on

If this is the last song I'll ever sing
Then I'm giving it everything
I'm giving it all

If this is the last song that I'll ever play
Then I guess it's time to take
The curtain call
I'm dying to thank you all
I'm dying to thank you all
I'm dying to thank you all
Thank you all

So here's to all the lonely hearts
Coz mine's been ripped and torn apart
I'm colder now, it's getting dark
But I'll be okay
Bury me with my guitar
And on the way to hell I'll play

If this is the last song I'll ever sing
Then I'm giving it everything
I'm giving it all

If this is the last song that I'll ever play
Then I guess it's time to take
The curtain call
I'm dying to thank you all
I'm dying to thank you all
I'm dying to thank you all
Thank you all, yeah

One more song before I've got to go
(I'm singing ohhhhhh)
From the very bottom of my soul
(And hear it ohhhhhh)
Every single word and every note
I'm pleading
Let me hear you sing it out once more with feeling

One more song before I've got to go
(I'm singing ohhhhhh)
From the very bottom of my soul
(And hear it ohhhhhh)

Every single word and every note
I'm pleading
Let me hear you sing it out once more with feeling

If this is the last song I'll ever sing
Then I'm giving it everything
I'm giving it all

If this is the last song that I'll ever play
Then I guess it's time to take
The curtain call

If this is the last song I'll ever sing
Then I'm giving it everything
I'm giving it all

If this is the last song that I'll ever play
Then I guess it's time to say
We thank you all
