I'm tired of explaining that it wasn't supposed to be allowed  
I'd buy it but it wasn't supposed to be like this  
You can't touch me cos I'm never over  
But your heart's gone the colour of coca-cola

I'm laughing cos I'm saving for an overdraft  
Because I only want a video or photograph  
Of that time you knocked my sister over  
But your heart's gone the colour of a dustbin

I'm tired of explaining that it wasn't supposed to be allowed  
I'd buy it but it wasn't supposed to be like this  
You can't touch me cos I'm never over  
But your heart's gone the colour of coca-cola  
Your heart's gone the colour of a dustbin

Your heart's gone the colour of coca-cola  
Rescind yourself as you get older  
Younger faces come to steal your fire  
But you already know me  
You already know
