Get back in your hole and get dead, son
Get back in your hole and get bent
Crawl under a rock get lost, boy
Crawl under a rock get fucked

Get out of those shoes and grow wings, dear
Get out of those shoes and grow wings

Fall over yourself and break heads, kid
Fall over yourself and break heads
Crawl out of your skin takes time, pal
Crawl out of your skin takes time

Get out of those shoes and grow wings, dear
Get out of those shoes and grow wings
