Together, we'll save his balls From fire, from fire

He is not the man they think his at home there is a fortune to be wasted now the west is almost won there is a fortune to be c olour-coded in the waiting room he is not the man the daily mir ror think he is at home follow the bleeding A better deal, for axe murderers

Together, together, together From fire, from fire

He is not the man they think his at home there is a fortune to be wasted now the west is almost won there is a fortune to be c olour-coded in the waiting room he is not the man the daily mir ror think he is at home follow the bleeding A better deal, for axe murderers
