What We've Learned

mclusky

He's a wise guy flys right by because He put it all in to get on television He's a wise guy flys right by because He put it all in to get on television

Including, but not exclusive to Should have known better and we do

He's got nothing left to say because He gave it all up to be on television He's got nothing left to say because He gave it all up to be on television

Including, but not exclusive to Should have known better and we do
