

## You Should Be Ashamed, Seamus

mclusky

Hey! hey! heroes of stayaway fiction  
What's the point of leaving home when you own it?  
What's the point of do it yourself when it looks so shit  
That these kids can't even feed themselves?  
Hey! hey! legends of make your mind up  
What's the point of losing weight if it won't lose you?  
Born in cardiff, raised by wolves and died on his fucking arse  
Anyway, she did her best  
Her best wasn't good enough

Anyway, she did her best  
Her best wasn't good enough  
But you should be ashamed, seamus  
You should be appalled, seamus  
You should be abridged, seamus  
Yeah you should be culled
