Nationalism in school
Perpetrating their rule
Lying textbooks rant
Their patriotic slant
"Your country's great"
cry the church and state
"All that've died
Were on God's side"

President and pope
Your pride and hope
Families build
Christian ethic instilled
The biblical truth?
Faith not proof!
Wield a sword
Walk with the lord
Be a man
Protect your land
Hear your call
Martyrs all

Your life's lost Nailed to a cross Dead on foreign soil For your God (And their oil)
