

Hole In My Soul

MDC

I got a hole in my soul
How can I roll, how can I rock?
I got a hole in my sock
How can I rock, how can I roll?
I got a hole in my soul
I know just who you are
You'll never get very far
I got a joint in my hand
I apologize to my brother Dan
I got a joint in my hand
I got a hole in my soul
How can rock, how can roll?
I got a hole in my soul
