

## Violent Redneck

MDC

K-mart hillbillies  
Ignorant and loud  
Here to prey on us  
A bully and proud  
Redneck lean and mean  
Fuckin' with our scene  
Ruined another night  
People bloody from your fight  
Mother spoiled her boy  
Daddy showed you how  
So you're out to kick some ass  
Brainless goon got no class  
You'll get yours real soon  
Bound to happen goon  
Your life's a rape  
Mission of hate  
You'll get yours just you wait  
Here to pick up a "punk slut"  
We'll ram that longneck up yer butt  
Now it's your turn  
Mister crash and burn  
Now it's your turn  
Time for you to learn  
Violent redneck you'll see red
