

## Come Sail Away

### Me First and the Gimme Gimmes

I'm sailing away  
set an open course for the virgin sea  
I've got to be free  
Free to face the life that's ahead of me  
On board I'm the Captain, so climb aboard  
We'll look for tomorrow on every shore  
And we'll try, oh Lord we'll try, to carry on

I look to the sea  
Reflections in the waves spark my memory  
Some happy, some sad  
I think of childhood friends and the dreams we had  
We lived for happily forever, so the story goes  
But somehow we missed out on that pot of gold  
But we'll try the best that we can, to carry on

A gathering of angels appeared above our heads  
They gave to us this song of hope, and this is what they said:  
Come sail away, come sail away, come sail away with me  
Come sail away, come sail away, come sail away with me  
Come sail away, come sail away, come sail away with me  
Come sail away, come sail away, come sail away with me
