

Danny's Song

Me First and the Gimme Gimmes

People smile and tell me I'm the lucky one
And we've just begun, think I'm gonna have a son
He will be like she and me, as free as a dove
Conceived in love, sun is gonna shine above

And even though we ain't got money
I'm so in love with ya, honey
And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me, everything is gonna be alright

Seems as though a month ago I was Beta-Chi
Never got high, oh, I was a sorry guy
And now a smile, a face, a girl that shares my name
Now I'm through with the game, this boy will never be the same

Pisces, Virgo rising is a very good sign
Strong and kind, and the little boy is mine
Now I see a family where the once was none
Now we've just begun, yeah we're gonna fly to the sun

Love the girl who holds the world in a paper cup
Drink it up, love her and she'll bring you luck
And if you find she helps your mind, buddy, take her home
Try to earn what lover's own, don't leave her alone
