

## Danny's Song

### Me First and the Gimme Gimmes

People smile and tell me I'm the lucky one  
And we've just begun, think I'm gonna have a son  
He will be like she and me, as free as a dove  
Conceived in love, sun is gonna shine above

And even though we ain't got money  
I'm so in love with ya, honey  
And everything will bring a chain of love  
And in the mornin' when I rise  
You bring a tear of joy to my eyes  
And tell me, everything is gonna be alright

Seems as though a month ago I was Beta-Chi  
Never got high, oh, I was a sorry guy  
And now a smile, a face, a girl that shares my name  
Now I'm through with the game, this boy will never be the same

Pisces, Virgo rising is a very good sign  
Strong and kind, and the little boy is mine  
Now I see a family where the once was none  
Now we've just begun, yeah we're gonna fly to the sun

Love the girl who holds the world in a paper cup  
Drink it up, love her and she'll bring you luck  
And if you find she helps your mind, buddy, take her home  
Try to earn what lover's own, don't leave her alone
