

# Don't Let the Sun Go Down on Me

Me First and the Gimme Gimmes

I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
Frozen here on the ladder of my life

It's too late to save myself from falling  
I took a chance and changed your little life  
But you misread my meaning when I met you  
Closed the door and left me blinded by the light

Don't let the sun go down on me  
Although I search myself it's someone else I see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me

I can't find all the right romantic lines  
But see me once and see the way I feel  
And don't discard me just because you think I mean you harm  
But these cuts I have they need love to help them heal
