

## Father and Son

### Me First and the Gimme Gimmes

It's not time to make a change,  
Just relax, take it easy  
You're still young, that's your fault,  
There's so much you have to know  
Find a girl, settle down, if you want you can marry  
Look at me, I am old but I'm happy

I was once like you are now  
And I know that it's not easy  
To be calm when you've found  
Something going on  
But take your time, think a lot, think of everything you've got  
For you will still be here tomorrow but your dreams may not

How can I try to explain, 'cause when I do he turns away again  
It's always been the same, same old story  
From the moment I could talk, I was ordered to listen  
Now there's a way and I know that I have to go away  
I know, I have to go

It's not time to make a change,  
Just relax, take it easy  
You're still young, that's your fault,  
There's so much you have to know  
Find a girl, settle down, if you want you can marry  
Look at me, I am old but I'm happy

All the times that I've cried keeping all the things I knew inside  
It's hard, but it's harder to ignore it  
If they were right I'd agree, but it's them they know, not me  
Now there's a way and I know that I have to go away
