

# Have You Never Been Mellow

Me First and the Gimme Gimmes

There was a time when I was  
In a hurry as you are  
I was like you  
There was a day when I just  
Had to say my point of view  
I was like you

But I don't mean to make you frown  
No, I just want to put you down  
Six feet down  
In the ground

Have you never been mellow?  
Have you never tried  
Just to get some comfort up inside?  
Have you never been happy?  
Just to hear you're wrong  
Have you never let someone else be strong? (NO!)

Running around as you do  
With your head up in the clouds  
I was like you  
Never had time to lay back  
Shoot some high drugs, think again  
I was like you

But you're not hard to understand  
You need someone to show you're glam

Have you never been mellow?  
Have you never tried  
Just to get some comfort up inside?  
Have you never been happy  
Just to hear you're wrong?  
Have you never let someone else be strong? (NO!)
