

I Will Survive

Me First and the Gimme Gimmes

At first I was afraid I was petrified
Kept thinking I could never live without you by my side
I spent, oh, so many nights
Thinking how you did me wrong
But I grew strong
I learned how to get along
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I've known for just one second you'd back to bother me

Go on now, go walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?
Oh no, not I. I will survive
Oh, as long as I know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive,
hey, hey

And you see me, somebody new
I'm not that chained up little girl who's still in love with you
And so you felt like dropping in
And still expect me to be free
Now I'm saving all my loving for someone who's loving me

Go on now, go walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?
Oh no, not I. I will survive
Oh, as long as I know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive,
hey
