Lady

Me First and the Gimme Gimmes

Lady, I'm your knight in shining armor and I love you You have made me what I am and I am yours
My love, there's so many ways I want to say I love you Let me hold you in my arms forever more

You have gone and made me such a fool I'm so lost in your love And oh, we belong together Won't you believe in my song?

Lady, for so many years I thought I'd never find you You have come into my life and made me whole

In my eyes I see no one else but you There's no love like our love And yeah, I'll always want you near me I've waited for you for so long

Lady, your love's the only love I need
And beside me is where I want you to be
'Cause, my love, there's somethin' I want you to know
You're the love of my life, you're my lady!
