Mona Lisa

Me First and the Gimme Gimmes

Mona Lisa, Mona Lisa, man have named you You're so like the lady with the mystic smile Is it only 'cause you're lonely they have blamed you For that Mona Lisa strangeness in your smile Do you smile to tempt a lover Mona Lisa Or is this your way to hide a broken heart

Many dreams have been laid at your doorstep They just lie there and they die there Are you warm, are you real Mona Lisa Or just a cold and lonely lovely work of art
