

## On the Radio

### Me First and the Gimme Gimmes

Someone found the letter you wrote me on the radio  
And they told the world just how you felt  
It must've fallen out of a hole in your old brown overcoat  
They never said your name but I knew just who they meant

Oh, I was so surprised and shocked and I wondered too  
If by chance, you heard it for yourself  
I never told a soul just how I'd been feeling over you  
But they said it really loud and said it on the air  
On the radio

Oh, on the radio  
Oh, on the radio  
Oh, on the radio  
Ohh

Don't it kinda strike you sad when you hear our song  
Things are not the same, since we broke up last June  
The only thing that I want to hear is that you love me still  
And that you think, you'll be comin' home real soon

Oh, he kinda made me feel proud when I heard him say  
You couldn't find the words to say it for yourself  
And now in my heart I know, I can say what I really mean  
'Cause they said it really loud, they said it on the air  
On the radio

Oh, on the radio  
Oh, on the radio  
Oh, on the radio  
Ohh

If you think that love isn't found on the radio  
Then tune right in you may find the love lost  
'Cause now I'm sittin' here with the man I sent away long ago  
He found, he really lied, he said, he really lied  
On the radio

Oh, on the radio  
Oh, on the radio  
Oh, on the radio  
Oh, on the radio  
Oh, on the radio  
Oh, on the radio  
Ohh
