

Save the Best for Last

Me First and the Gimme Gimmes

Sometimes the snow comes down in June
Sometimes the sun goes round the moon
I see the passion in your eyes
Somehow it's all a big surprise

There was a time when all I did was wish
You'd tell me this was love
It's not the way I hoped or how I planned
But somehow it's enough

And now we're standing face to face
Isn't this world a crazy place
Just when I thought a chance had passed
You go and save the best for last

How could you give your love to someone else
And share your dreams with me
Sometimes of everything you're looking for
It's the one thing you can't see

But now we're standing face to face
Isn't this world a crazy place
Just when I thought a chance had passed
You go and save the best for last

Sometimes of everything you're looking for
It's the one thing you can't see

Sometimes the snow comes down in June
Sometimes the sun goes 'round the moon
Just when I thought a chance had passed
You went and save the best for last

Saved the best for last
