The Longest Time

Me First and the Gimme Gimmes

Inflammable material's implanted in my head It's a suspect device that left two thousand dead

If you said goodbye to me tonight There would still be music left to write What else could I do I'm so inspired by you That hasn't happened for the longest time

Once I thought my innocence was gone Now I know that happiness goes on That's how you found me When you put your arms around me I haven't been there for the longest time

Whoa, oh, oh For the longest time Whoa, oh, oh For the longest

I'm that voice you're hearing in the hall And the greatest miracle of all Is how I need you And how you needed me too That hasn't happened for the longest time

Maybe this won't last very long But you feel so right And I could be wrong Maybe I've been hoping too hard But I've gone this far And it's more than I hoped for

Who knows how much further we'll go on Maybe I'll be sorry when you're gone I'll take my chances I forgot how nice romance is I haven't been there for the longest time

Whoa, oh, oh For the longest time Whoa, oh, oh For the longest time Whoa, oh, oh For the longest time Whoa, oh, oh
