

A Piece For You

Meaghan Smith

Yesterday when you drove away
I felt my heart break
As I waved I concentrated
on my precious pain

My sadness is sweet
A love so deep
It broke clean in two
A piece for me
A piece for you

It can be your good luck charm
A talisman from fear and harm
It will keep you safe and warm
Till you're in my arms

My sadness is sweet
A love so deep
It broke clean in two
A piece for me
A piece for you

Yours is broken too, I see
Just before you had to leave
You left half of yours for me
Now both our hearts complete

My sadness is sweet
A love so deep
It broke clean in two

My sadness is sweet
A love so deep
It broke clean in two
A piece for me
A piece for you
A piece for me and
A piece for you
